Wednesday: 9.30-11.30 + 13.30-15.30
 Thursday: **CLOSED**
 Friday: 9.30-11.30 + 13.30-14.30

Outside these hours, PLEASE do not come except by prior arrangement. This will greatly help us to provide the service you require the rest of the time. We will, of course, continue to answer your e-mail and telephone queries as far as time allows.

Please also note that Barbora Pelantova has made a small change in her working arrangements. She will now be available every morning except Thursday, and on the afternoons of Tuesday and Wednesday. She will NOT be available on the afternoons of Monday, Thursday and Friday.

SIS Student Information System Sign in Anonym

You have entered invalid authentication credentials, access denied.

In case of problems with logging into the system, use the following steps:

For students:

1. Reset your password for central systems using the web form [password reset form](#) (in case of students of Faculty of Medicine in Pilsen [here](#))
2. If the problem persists, use the [helpdesk form](#) (the form is in Czech only, you may use English for communication as well)

For other users:

1. Ensure you use your teachers login (in case your personal ID appears on existing study/application records it can't be used for access to teacher's account)
2. Please read the faculty specific information on page about [logging in](#)
3. If the problem persists, please consult the Study Information System administrator of your faculty

5. If this happens to you, you can get a new password by clicking on the password reset form

Please fill in all required data; you will receive e-mail with address of web page, where you will be asked to confirm your new password. The address in e-mail is delimited by words LINK; if your mail client splits the address into rows, try copying the link row by row into your web browser's address field.

<input type="submit" value="Submit"/>	

Passwords reset using this form are not considered trusted, you may be denied access to some applications.

6. You can get help with filling out any particular field by clicking on the red question mark

7. In the Birth Code Suffix field, please enter the last 4 digits of the 10-digit code you were assigned, together with your Charles University ID card, at the start of the semester. Generally the suffix will have a format something like 11J9, 11X8, etc. The whole birth code will look something like 86122211X8, where the first six digits are derived from your birth date, and the last four have been added by our central computing service. Students with Czech or Slovak citizenship use their normal Birth Code, e.g. 8612224256
